◆ **MiBA Industry Limited** is a high reputation company located in Shenzhen, China. 'MiBA' means we are always open the door for all of our customers and do our best to build the good relationship with our customers with A grade quality and A grade service.

◆ **M** stands for door; **i** stands for us; **B** stands for build the good relationship; **A** stands for A grade quality and A grade service.

◆ MiBA is professional in designing, developing and manufacturing Bluetooth Speaker, Bluetooth Earphone, Powerbank, Wireless charger, USB flash drive and other consumer products for more than 12 years.

# Our Advange:

**5000 Square Meter  
factory**

- With build in Mould opening department, Designing development department, Production department, We offer one stop production service. Support customer for OEM and ODM business.

**Stable and strict quality  
control**

- With strong QC team, the QC staff check from raw materials, online production, to finished product. Ensure every piece product goes into container with high quality. Help your brand grow healthily and fastly.

**Professional service**

- Understand your points clearly, save the communication time, makes your daily job more efficient. Solve your purchase needs online 24 hours a day. Even during Chinese New Year, we have sales online for handling customer's requests and inquiries.

## **Innovative team**

- Help customer to bring good idea for products. We adopt the elements from the nature, animal, human being, plant, fabric, metal, stone, etc to make the product more lively and vivid. To help customer get hot sell online and offline in shops or stores.

## **High Efficient management**

- From quote, artwork, order confirm, sample, production to shipping, all are run in a fastest way.  
Quote within 2 hours, artwork within 3 hours, sample within 5 days, production within 20-30 days.

## **Rich Experience**

- We are a 3C consumer electronics production factory for 12 years. We have done thousands of designs to our customer, helped more than 1000 companies done the projects successfully.

# MiBA Production department

department

# Assembling

# Strict QC Checking

# Goods ready to ship to customers

## MiBA Service:

- We support online discussing and Email confirmation.
- Online service:what'sapp,skype,wechat.Calling directly is also welcomed!
- MiBA understands well your desire and demand,quote customer good price in the shortest time and follow customer's order very tight.
- Work with MiBA will save your communicating time,and have more time and energy on your market and customers.
- MiBA will support customer the best delivery time,and keep the delivery time which have promised customer.
- **MiBA Certificate:CE,RoHS,REACH,FCC.**

# Customers' Feedback

have you got the goods?

yes we have recived the goods we are  
very very happy  
love the packaging  
love the items

thank you  
its awesome product!

thanks my friend  
wish you have many customers like it and give us orders soon

The lightning cables look good, we already sold a 100 pcs in 2 days

16:2

So, for the moment it is going well

16:21

Ok

I like ur quick work  
For sure we will do bussiness  
Ur in my short list now

Dear Lisa.  
The feedback regarding the powerbank is very encouraging😊  
What size would the powerbank have if it would have 10.000 mAh or more?  
Best regards  
Matthias

We will confirm the order later.  
So sorry to say that I don't use skype in my work, only in private.  
But thank you so much for all your help, we really need a fast supplier like you!  
BR  
Dennis

Dear Kelsey,

I hope this email finds you well.

Yes, we did receive the power banks and they are awesome. The power bank will be included in a gift bag for Neutrogena employees. I'm sure they will be a hit.

Hope you will be our next satisfied customer soon...
